Such whistleblower complaints must be filed within 30 days of the retaliation.

You have a right to **see all UOSH citations issued to your employer**. Your employer must post the citations at or near the place of the alleged violation. You may request an informal review of the abatement period granted to the employer.

You have the right to **know your employer is obligated to correct workplace hazards** by the date indicated on the citation and must certify that these hazards have been reduced or eliminated.

You have the right to **copies of your medical records** or records of your exposure to toxic and harmful substances or conditions.

NOTICE TO EMPLOYERS

UTAH EMPLOYERS ARE REQUIRED TO PROVIDE EMPLOYEES A SAFE AND HEALTHFUL WORKPLACE

REPORTING REQUIREMENTS

Employers are required to notify UOSH at (801) 530-6901 **within 8 hours of occurrence of all fatalities, disabling, significant, and serious injuries or illnesses to workers**. You can call in your report 24 hours a day, 7 days a week. Tools, equipment, materials, or other evidence that might pertain to the cause of such accidents shall not be removed or destroyed until authorized by UOSH. You are also required to investigate all incidents of worker injuries and occupational illnesses.

REPORTING GUIDANCE

INSPECTIONS, CITATIONS, ASSESSED PENALTIES

UOSH may enter at reasonable times without delay any work place under its jurisdiction to conduct an inspection, investigation, or interview a reasonable number of employees to determine compliance with the Utah Act, rules and standards. If an employer is in violation of any of those rules or standards UOSH will promptly issue a citation to notify them of the violation. A serious violation may be assessed a proposed penalty of up to \$7,000. Willful or repeated violations may be assessed a proposed penalty up to \$70,000. Failure to correct or abate a violation may result in additional penalties not to exceed \$7,000 for each day each violation is not corrected.

CONTESTS, APPEALS, INFORMAL REVIEW

The Utah Labor Commission will provide an adjudicative formal hearing with its Division of Adjudication, when an employer files a written notice of contest within 30 days of receipt of the citation. Upon expiration of that 30 day period, the citation and proposed penalties are final and not subject to review by any court or agency. Employers may also request an informal review of any citation, proposed penalty or abatement period. Informal reviews do not extend the 30 days in which an employer must file a written notice of contest for a formal hearing.

Insurance Company: _____

Policy Number: _____

Address for the above insurance company: _____

Telephone number: _____

☐ Check here if the employer has been authorized by the Division of Industrial Accidents to self-insure and directly pay workers' compensation benefits.

WORKERS' COMPENSATION

Workers' Compensation is insurance which pays medical expenses and helps offset lost wages for employees with work-related injuries or illnesses. If you have an on-the-job injury or occupational disease, it may pay for: hospital and medical bills, time lost from work, permanent loss of body function, prosthetic devices, and burial and dependent benefits in case of death.

HOW TO REPORT AN ACCIDENT

1. Report the injury, no matter how slight, immediately to your supervisor. You may lose your rights if your injury is not reported within 180 days of the injury or work-related illness.
2. Ask your employer where you should go for treatment. If your employer has a first-aid room or company designated doctor, go there promptly for treatment. If not, go to a doctor of your choice.
3. Tell the doctor **HOW, WHEN and WHERE** the accident happened. The doctor will fill out a physician's initial report form. A copy of the report is given to you and copies of the report are sent to the insurance company and the Labor Commission within seven (7) days of your doctor visit.
4. Your employer shall fill out the employer's first report of injury form. A copy of this report is sent to the insurance company within seven (7) days of the accident. The insurance company will report the injury to the Labor Commission.

HOW TO START COMPENSATION

1. Ask your employer which insurance company pays workers' compensation benefits for the company.
2. Ask your employer to report the accident to the insurance company and give you the claim number.
3. Call the insurance company and ask them to start your workers' compensation benefits. The insurance company will require the employer's report, the physician's report, and may ask you to fill out a request for compensation. Cooperate with the adjuster's investigation of the injury.
4. Ask your doctor to send medical reports to the insurance company, including the work status statement.

REHABILITATION

If you cannot return to work, you may be eligible for a rehabilitation program. Contact the insurance company listed above or the Utah State Office of Rehabilitation.

FRAUD STATEMENT: "Any person who knowingly presents false or fraudulent underwriting information, files or causes to be filed a false or fraudulent claim for disability compensation or medical benefits, or submits a false or fraudulent report or billing for health care fees or other professional services is guilty of a crime and may be subject to fines and confinement in state prison."

Rev. 10/2019

UNEMPLOYMENT INSURANCE NOTICE TO WORKERS

Your work is covered under the provisions of the Utah Employment Security Act for unemployment insurance purposes, unless specifically exempted by the Act.

Unemployment insurance specifically provides payments to qualified workers who are unemployed through no fault of their own and are able, available, and seeking full-time work. It is not public assistance, Social Security, or a disability payment. Benefits are based upon your previous earnings—not on economic need. The funds to pay unemployment benefits are paid by your employer. No deductions are made from your wages.

FILING FOR UNEMPLOYMENT INSURANCE BENEFITS

To receive unemployment benefits, you may file your claim online at jobs.utah.gov, select “Temporary Assistance,” then “Unemployment Benefits,” and then choose “File New or Reopen Claims.” You may also call the Claims Assistance and Re-Employment Team at: Salt Lake/South Davis Counties – (801) 526-4400; Weber/North Davis Counties – (801) 612-0877; Utah County – (801) 375-4067; elsewhere in Utah and out-of-state – (888) 848-0688. No benefits will be paid for weeks prior to the week in which you file your claim. You should, therefore, file immediately after becoming unemployed or when your work hours are reduced to less than full time.

FILING AFTER RECEIVING WORKER’S COMPENSATION BENEFITS

If you are separated from employment due to a work-related illness or injury for which you have received Worker’s Compensation, your rights to unemployment benefits may be preserved for up to THREE YEARS from the date of your injury. In order to use wages earned prior to such an injury or illness, you must file a claim for unemployment benefits within 90 DAYS of your doctor’s release to full time work.

SEPARATION INFORMATION

At the time you are separated from your job, you should request information as to the reasons for your separation. You do not need to have a separation notice to file a claim. Both you and your employer will be requested to provide statements explaining the reason for your separation.

WAGES DETERMINE BENEFIT AMOUNT

The amount of your unemployment benefits will be determined from your wages in covered employment. “Wages” are all payments for personal services performed such as salaries, commissions, bonuses, tips, and the cash value of goods and services received for services performed. Tips received but not reported to your employer generally cannot be used to determine your unemployment benefits.

SELF-EMPLOYMENT

If you are classified as “self-employed” (independent contractor), you may want to discuss this with your employer and have your status reviewed by DWS. Work performed in “self employment” cannot be used for unemployment benefits. You are “self-employed” if your work is performed without direction and control and you are in your own established business. This generally means you are properly licensed in business, perform similar services for others, maintain proper accounting records and business reports, pay self-employment taxes, and provide for insurance.

INFORMATION FOR EMPLOYERS

Utah law requires that each employee’s wages must be reported each quarter with the regular quarterly contribution (tax) report. All wage and separation information and correspondence must include your unemployment insurance registration number. You must also maintain and make available records of wages and separation information on all workers for at least four (4) calendar years.

When an unemployment claim is filed by a former employee, the Department of Workforce Services will send Form 606 “Notice of Claim Filed.” This notice will provide an opportunity for you to report details of the reason for the claimant’s separation and, in some cases, to request relief of potential charges. You will also receive a Form 65 “Employer Notice of Potential Liability” showing any wages from your firm being used on the claim and your firm’s potential benefit costs.

If you have classified or contemplate classifying any of your workers as “self-employed” (independent contractors), notify the Department in order that a proper determination of status can be made. By doing this, you may avoid unpaid contributions (tax) liabilities, interest, and penalties. Additional information is available in the “Employer Handbook” which you can access on the Internet at:

jobs.utah.gov/ui/employer/public/handbook/employerhandbook.aspx

In accordance with Section 35A-4-406(1)(b) of the Utah Employment Security Act, this notice must be permanently posted by each employer at suitable points (on bulletin boards, near time clocks, etc.) in each work place and establishment.

Pregnancy and Related Conditions under the Utah Antidiscrimination Act

- The Utah Antidiscrimination Act requires an employer to make a **reasonable accommodation** for an employee for **pregnancy, child birth, breastfeeding, or a related condition**, upon the employee's request. UTAH CODE § 34A-5-106(1)(g) (2016).
- Unless the employer can show that the **reasonable accommodation** is an **undue hardship** as defined by the Act, it cannot require an employee to end the employment if a reasonable accommodation may be given, or deny employment opportunities to the employee if the denial is based on the need to make a reasonable accommodation. UTAH CODE § 34A-5-102(1)(w) (2016).
- An employer **may require** an employee seeking a reasonable accommodation based on pregnancy or a related condition to provide a **medical certification**. A medical certification must include:
 - the date the reasonable accommodation becomes medically advisable;
 - the probable duration of the accommodation; and
 - a statement regarding the medical advisability of the accommodation. UTAH CODE § 34A-5-106(7)(a) (2016).
- An employer **may not** require an employee to obtain a certification from the employee's health care provider for more frequent **restroom, food, or water breaks**. UTAH CODE § 34A-5-106(7)(c) (2016).

To learn more about your rights, please contact the Utah Antidiscrimination & Labor Division by calling 801-530-6801 or emailing discrimination@utah.gov.
